Economy Cars

Our fleet of economy cars is well maintained and equipped with all the modern and advanced features. As a renowned name in the hospitality industry for many years, we ensure you with a safe and reliable car rental service in India with our professionally trained and English speaking drivers and tour guides.

Toyota Etios

This car has grabbed wonderful feedback from our customers. Many people have rated this model as the most comfortable and economic car. To travel across India, undoubtedly Etios is the perfect car that gives you space for 2 small bags and 2 large suitcases. It can seat 4 members and the driver.

Feeding the elephant

Swift Dzire is one of the many variant sedans on offer from Elefantastic. The Dzire is popular for comfort, convenience and style. The luggage space allows for 2 small bags and 1 large suitcase while the seating capacity is of around 4 people.

Toyota Innova Crysta

The Toyota Innova Crysta is a budget friendly, big-size car for touring in India. The ground clearance is the ultimate positive point of this type car. Another important feature is the fact that it provides good spacing for legs which makes it a perfect MUV car for travelling to different places in India. Book this MUV car rental service for 6 people seating and a driver with an add-on of rooftop carrier for more space for your luggage.
